Dear Potential Sponsor:

Thank you for considering a donation to Maverick Toastmasters Club. As a nonprofit organization, Toastmasters International clubs rely on the financial support of members and supporters to help ensure that the Toastmasters program remains competitive, offering new and innovative approaches to effective communication and leadership at an affordable cost to members. Toastmasters International clubs hold a 501(c) (3) U.S. Federal tax exemption, which means that any contribution may be listed as a deduction on the donor's U.S. Federal Income Tax return (and in some cases listed on a State Income Tax return).

Toastmasters International was conceived and developed by Dr. Ralph C. Smedley, with the idea of helping others speak more effectively. The first Toastmasters club was established on October 22, 1924, in Santa Ana, California. Toastmasters International was incorporated under California law on December 19, 1932.

Now located in Rancho Santa Margarita, California, World Headquarters administers Toastmasters International's business and services. It employs no paid promoters or instructors and it has no salaried staff except the Executive Director and World Headquarters staff, which provides service to clubs and Districts.

Toastmasters has helped many members in their community services activities. With the increased confidence they acquire from improving their speaking and leadership skills, our members become more active in business, churches, community service and charity organizations.

On October 27, Maverick Toastmasters Club will be holding its Fifth Annual Spooky Tales Speech Contest and Costume Contest at the Sunrise Vista Mobile Home Park clubhouse in Mesa. Your donation to our special event will help the club continue to provide communication and leadership growth opportunities to members in the Gilbert and Mesa areas throughout the coming year and beyond.

Thank you in advance for your generosity. For your reference, our tax payer I.D. is shown below. We appreciate your support of Toastmasters!

With sincere appreciation,

Liz Shaw
